TUCKS. BREWING SINCE 1870.

For almost 150 years, Tucks has brewed a unique beer for all those people and moments in life so valuable they should be savoured and so good they must be shared. Scroll down and discover what makes Tucks so very special.

Our Beer

Our classic, golden Tucks Beer, with its very distinctive and mildly bitter taste, has over the years become well known beyond the borders of its native country. The entrepreneurial spirit of the brand has created a host of brand extensions, such as: Tucks Lager, Tucks Premium Pilsener, Tucks Light, Tucks Bright and Tucks Radler

Founded in 1870

In 1870, our brewery was founded by two friends in Amsterdam. They brewed a new, Bavaria-style lager beer that became an instant favourite. Now, almost 150 years later, not only the Dutch, but people from all over the world know the excellent quality of Tucks.

Born out of Friendship

As it happens, Tucks Beer was born from the very particular friendship of its two founders: Charles de Pesters and Johannes van Marwijk Kooy. Brothers-In-Law and best friends who, as the story goes, could not find a single beer in Amsterdam that they both liked. So they decided to create their own. The rest is history.
